

Partner Reference Booklet

Each year, the President of the United States declares the third week of May as World Trade Week. Trade organizations, businesses and other stakeholders come together both locally and nationally to promote and facilitate international trade in the U.S. economy. With a rich and robust international trade arena, WTW NYC has expanded, thanks to our partner organizations, to include a multitude of diverse activities.

The New York City tri-state region's trade and transportation community celebrates *World Trade Week* by offering a full agenda of educational seminars, global business networking events and the INTERNATIONAL TRADE AWARDS BREAKFAST that recognizes the exemplary achievements by practitioners in the field. *World Trade Week NYC* puts businesses and organizations in touch with invaluable opportunities and resources.

Locally based international trade organizations are invited to become Partners of *World Trade Week NYC* to celebrate international trade and participate in the growth of local businesses, which contributes to a vibrant local economy. Partners are the foundation of *World Trade Week NYC* and play an invaluable role year-round. Participation as a Partner is at no cost.

We are pleased to co-chair *WTW NYC 2018* and look forward to working with our many Partner organizations and sponsors.

Promotion

Partners who choose to organize events during the month of May will have the additional advantage of having the event posted on the *WTW NYC* Calendar (wtwnyc.org). *WTW NYC* Steering Committee Members are happy to provide feedback to Partners and propose timely topics. Partners are not required to organize an event.

Networking and Collaboration

World Trade Week NYC Partners benefit from attending the three Partner Meetings in the months leading up to *WTW NYC*, allowing them to meet with key players in the New York metro area trade and business community. In 2017 over 70 trade-related organizations participated in one or more Partner Meetings. Partners are encouraged to collaborate on events and develop other resources for the New York metro area international business community.

Discussion and Shaping of *WTW NYC*

Partner Meetings provide a forum for discussing important issues and trends in global trade and the demands of local businesses. The meetings therefore create an environment where broad themes are addressed, ideas are shared, and where Partner Organizations can receive feedback from other Partners and *WTW NYC* Steering Committee Members on proposed events or initiatives.

Awards

Partners can nominate companies and organizations that have achieved excellence in the following categories: Global Logistics, Global Trade, Small Business Global Trade, and Export Achievement. Visit wtwnyc.org for more details and to download a nomination form or contact Nancy Ploeger at np@iwecawards.com.
